We, the yearbook staff and the Senior Class of 1978, dedicate this Book of Dreams in memory of our Classmate Thomas Medlock who passed away on June 9, 1977. May we all learn from his excellent example of courage what it means to be a true Christian. We pray that God forever holds him near His heart as we always will.

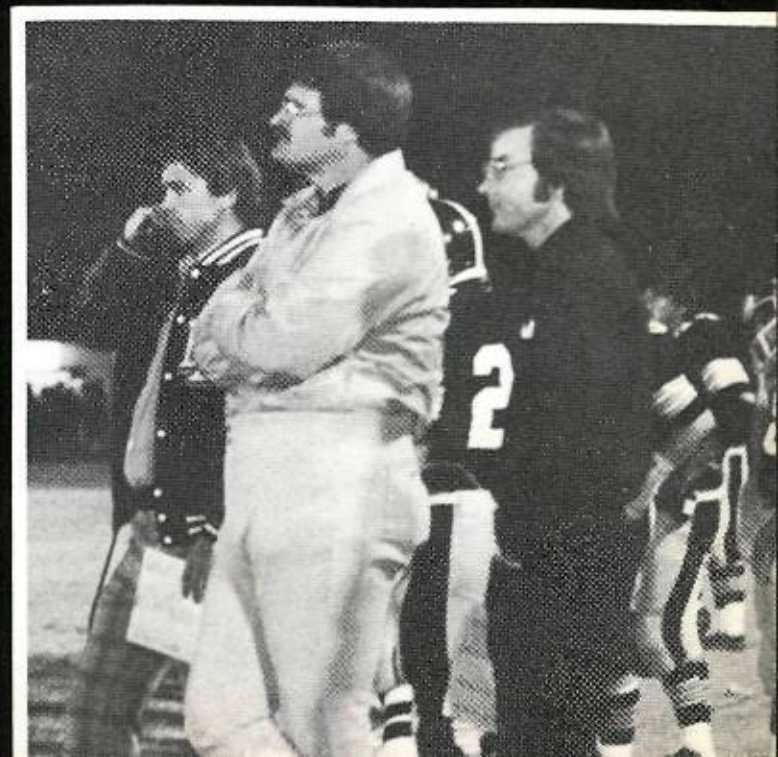

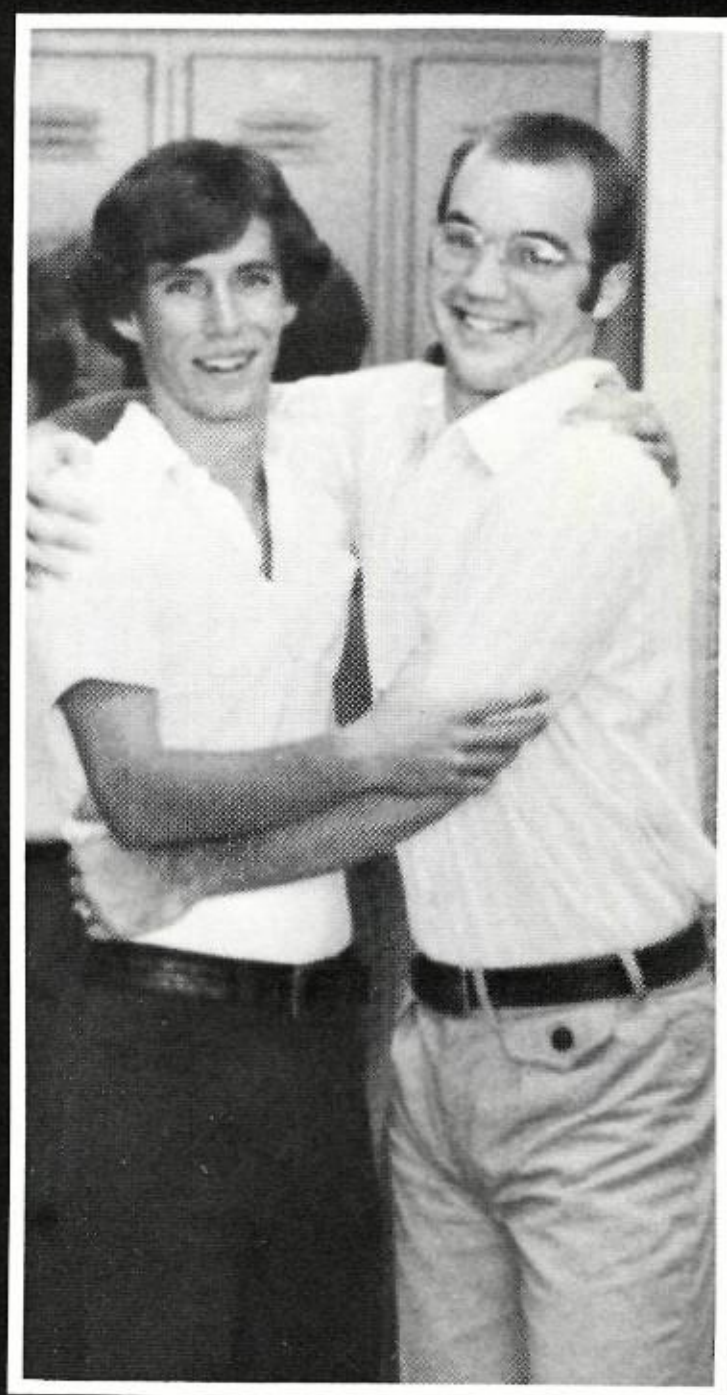

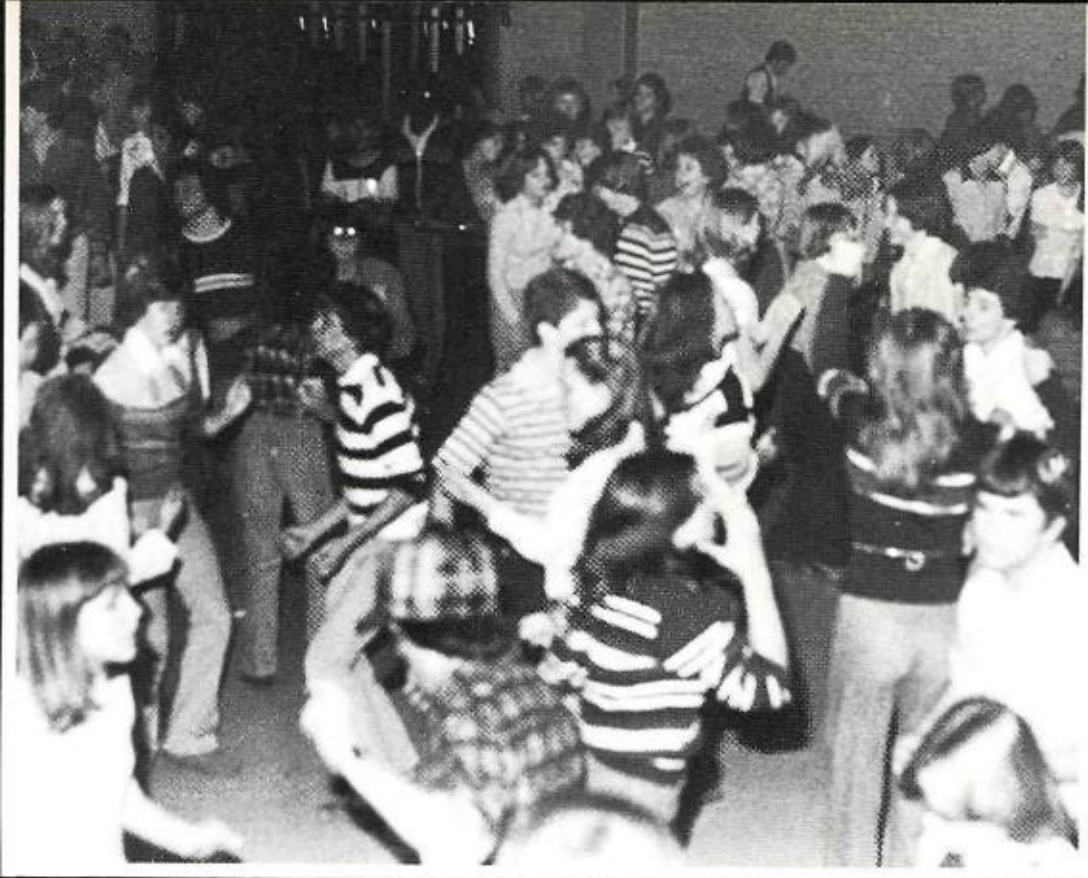

BOOK OF

DREAMS

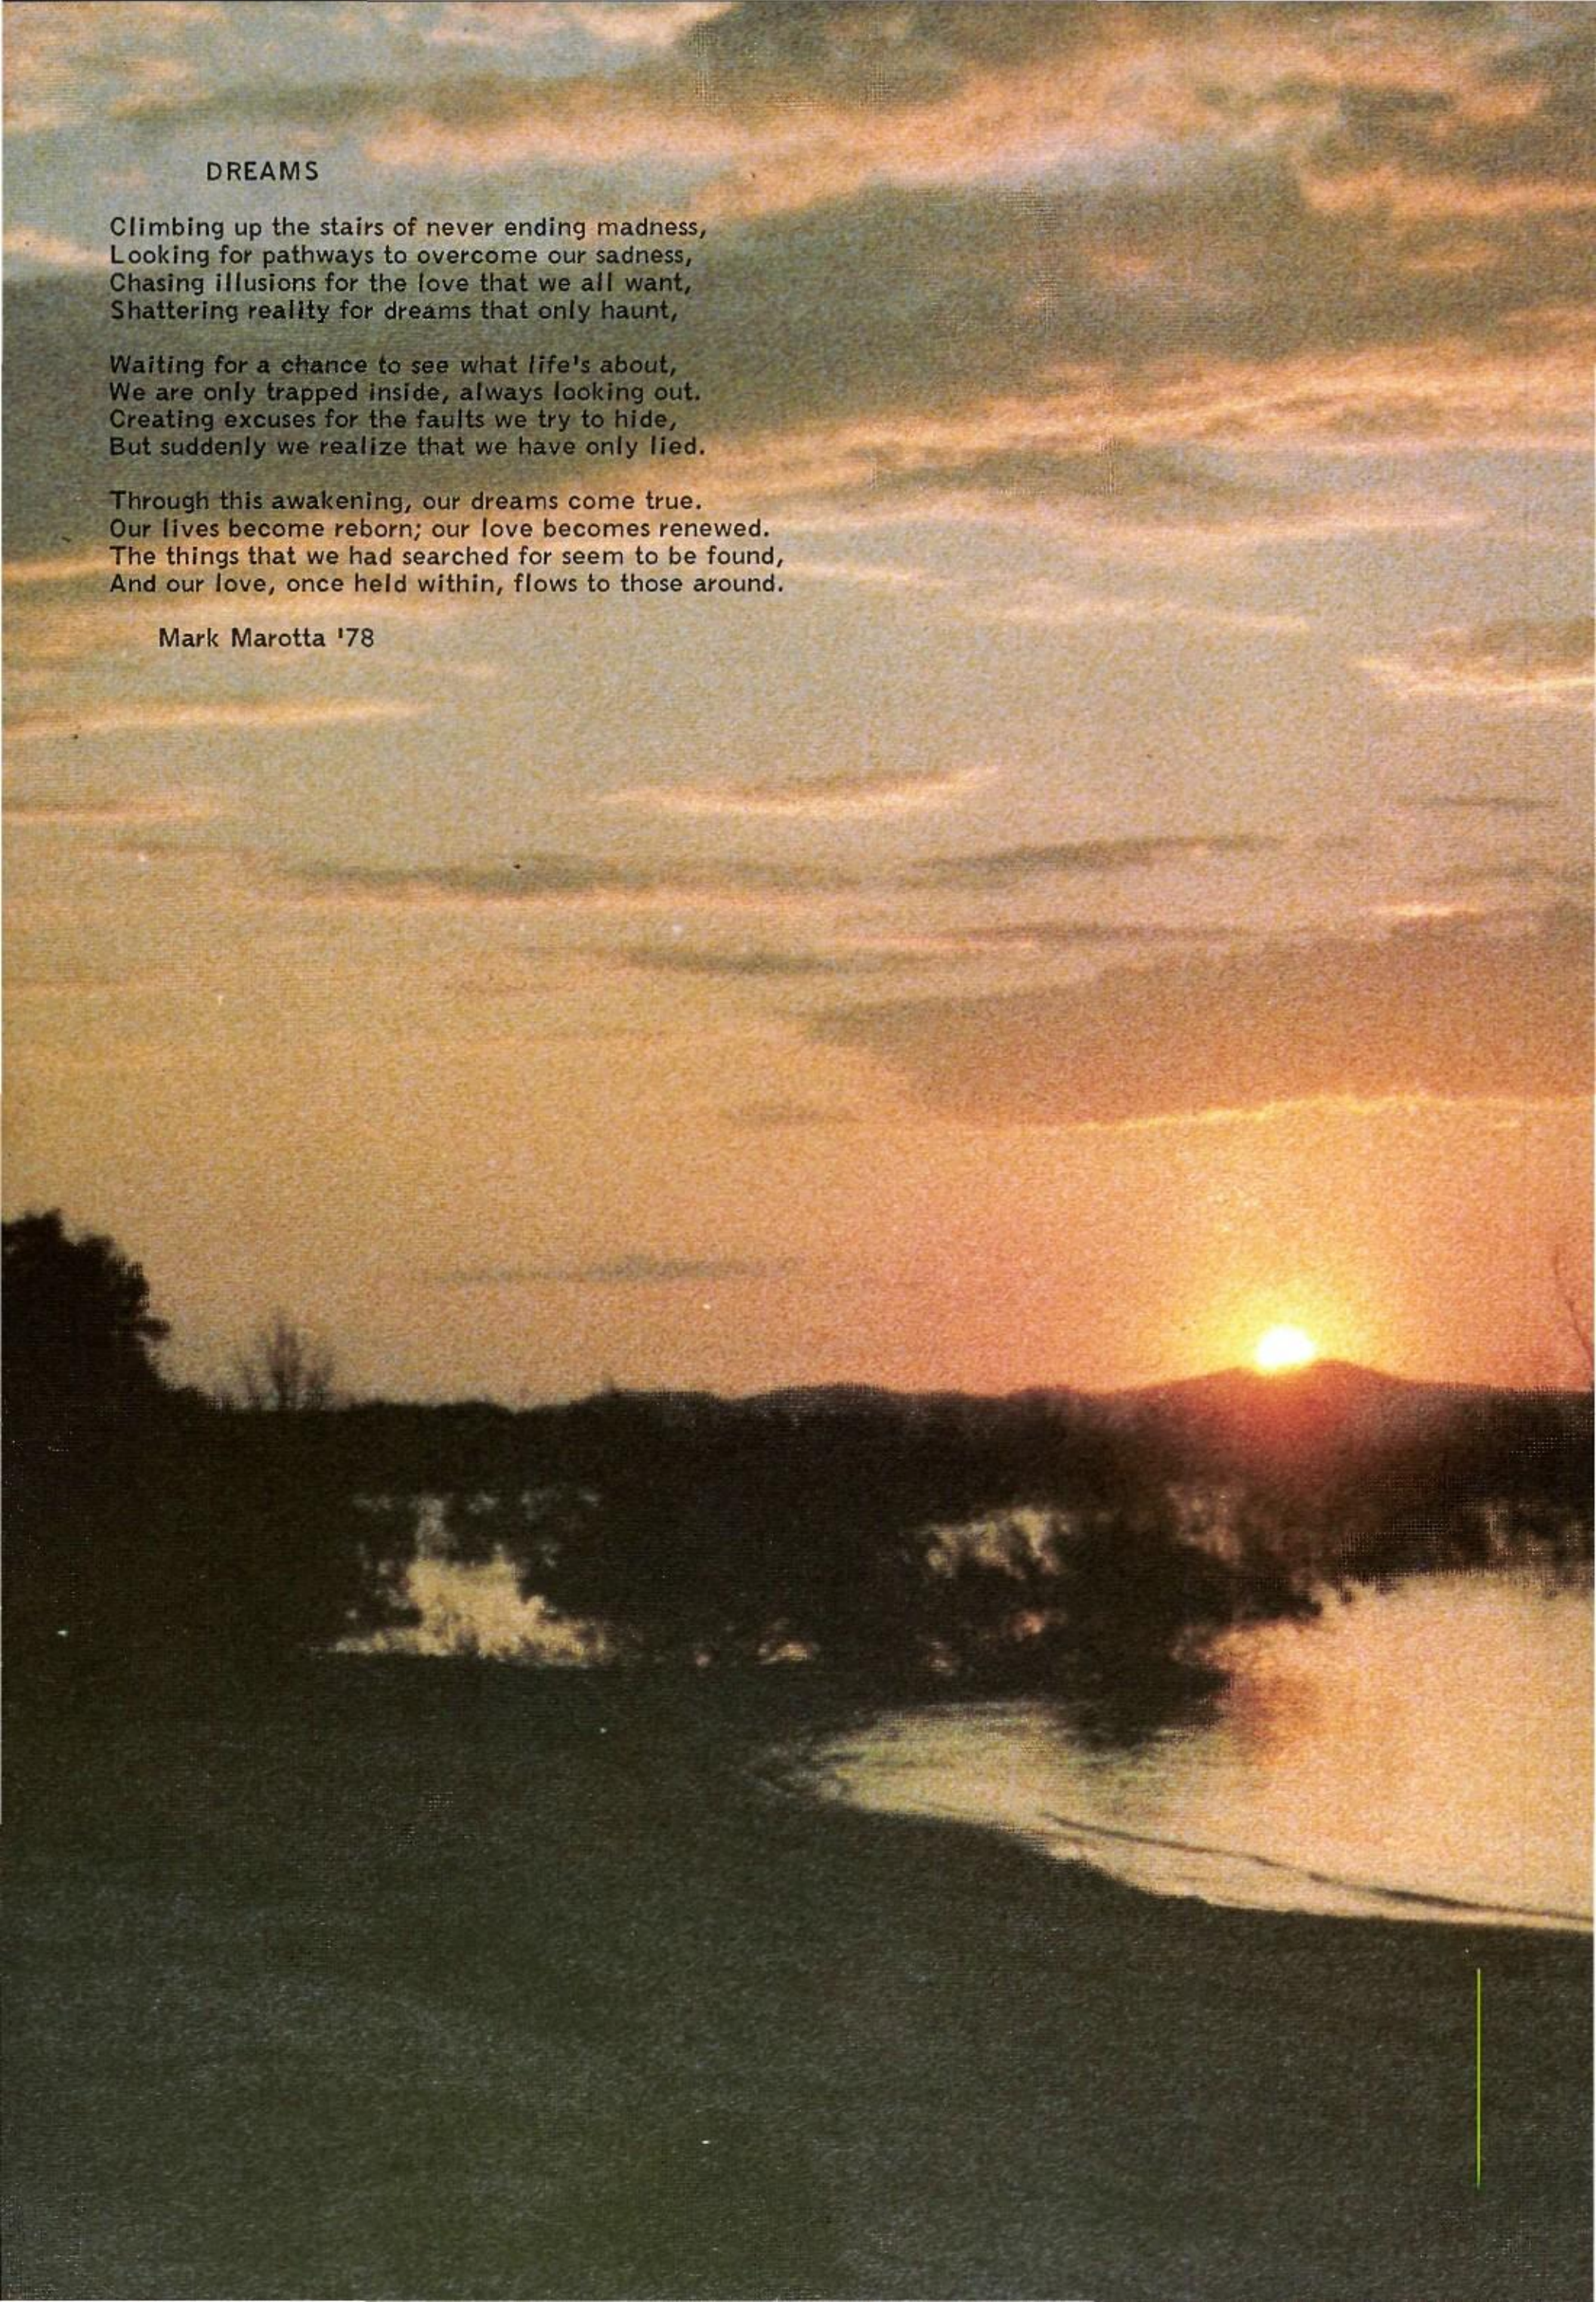

DREAMS

Climbing up the stairs of never ending madness,
Looking for pathways to overcome our sadness,
Chasing illusions for the love that we all want,
Shattering reality for dreams that only haunt,

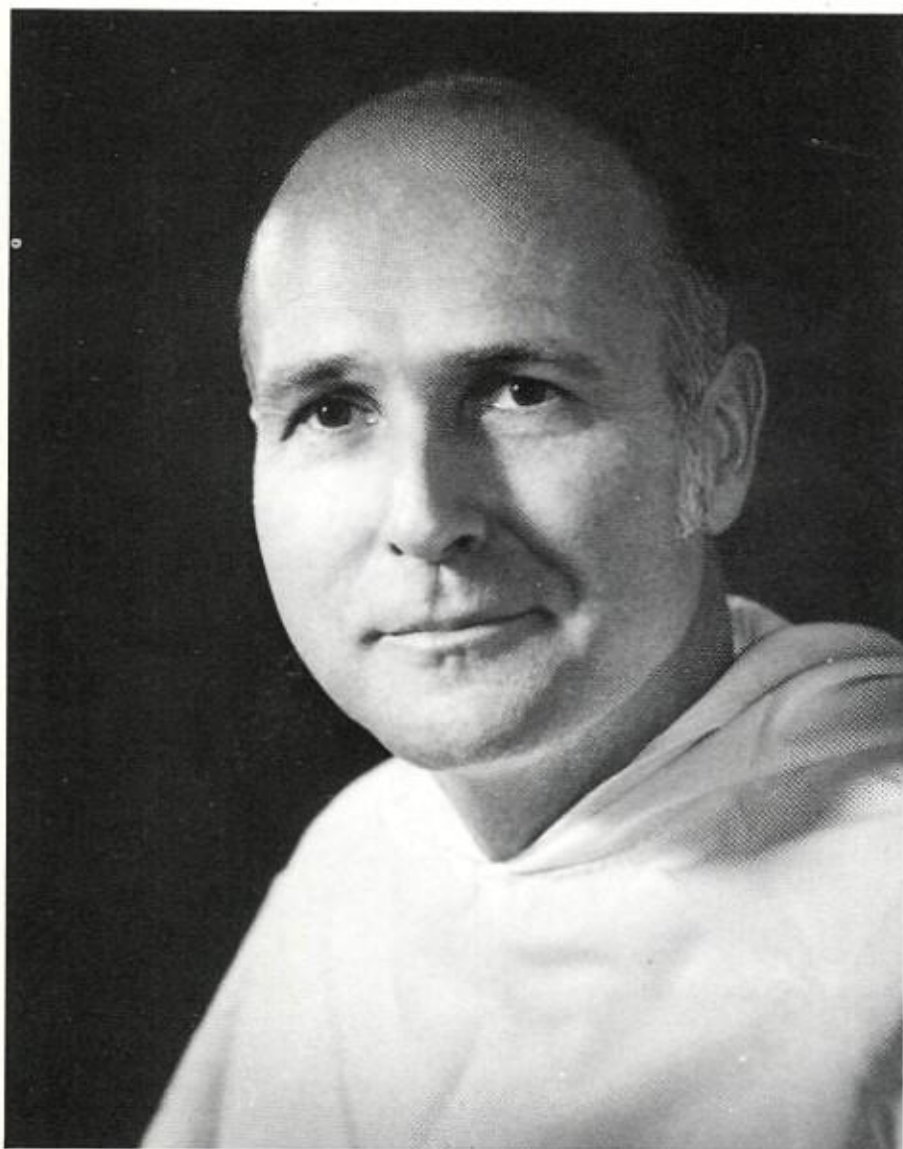

Waiting for a chance to see what life's about,
We are only trapped inside, always looking out.
Creating excuses for the faults we try to hide,
But suddenly we realize that we have only lied.

Through this awakening, our dreams come true.
Our lives become reborn; our love becomes renewed.
The things that we had searched for seem to be found,
And our love, once held within, flows to those around.
